Permission for Medication Administration at School and Child Care

The parent/guardian of ______ask that school/child care staff give the

following medication

Name of Medicine & Dosage

Time(s)

at

to my child, according to the Health Care Provider's signed instructions on the lower part of this form.

<u>Prescription medications</u> must come in a container labeled with: child's name, name of medicine, time medicine is to be given, dosage, route, date medicine is to be stopped, and licensed Health Care Provider's name. Pharmacy name and phone number must also be included on the label.

<u>Over the counter medication</u> must be labeled with child's name. Dosage must match the signed Health Care Provider authorization, and medicine must be packaged in original container.

The school/child care agrees to administer medication prescribed by a licensed Health Care Provider with prescriptive authority. The parent agrees to pick up expired or unused medication within one week of notification by staff. All medication(s) left at the school will be discarded according to the most current state regulatory recommendations for safe medication disposal.

By signing this document, I give permission for my child's Health Care Provider to share information about the administration of this medication with the school staff delegated to administer medication.
